COMMUNICATION BARRIERS

LESSON PROPER

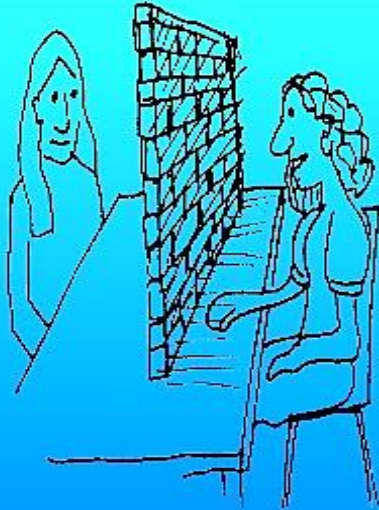

What is Communication Barrier?

Simply put, a barrier is a hindrance. Thus, **communication barriers** are factors that hinder clear and understandable communication between the sender and the receiver.

The following are the kinds of communication barriers:

- 1. Physical barriers

- 2. Perceptual barriers

- 3. Emotional barriers

- 4. Cultural barriers

- 5. Language barriers

- 6. Gender barriers

How to Overcome Barriers of

Communication

- Taking the receiver more seriously
- Crystal clear message
- Delivering messages skilfully
- Focusing on the receiver
- Using multiple channels to communicate instead of relying on one channel
- Ensuring appropriate feedback
- Be aware of your own state of mind/emotions/attitude
